ABOUT US

In Mexico, a 'fonda' is a home that a family have opened up to their local community as an unofficial restaurant, bringing people together over delicious home-cooked food.

Inspired by the fondas of Mexico, we've designed our restaurants to make everyone feel at home, with a menu that blends Mexican street food flavours with the freshest, ethically-sourced ingredients.

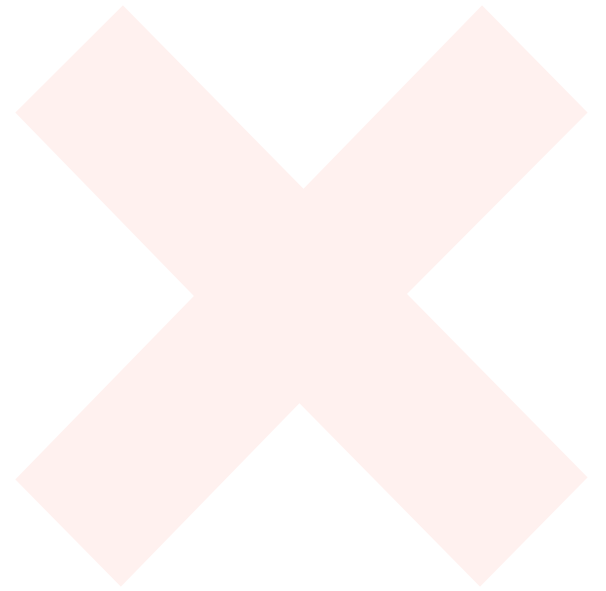

YOUR FIESTA

Our casas have decks, lofts & rooftops that are perfect for casual get togethers, large private events & everything in between.

Drop us a line to create your perfect fiesta with Fonda.
